**Sedation Cosent Form**

Your pet \_\_\_\_\_ may require to be sedated to be groomed, bathed, and/or examined. Every step will be taken to ensure your pet safety during the procedure.

Even with every precaution, anesthesia involves risk that could lead to the injury or death of your pet. Please sign to indicate you have read the above and understand the surgical procedure and the possible risks involved.

Pets are released only during regular office hours. If you neglect to pick up your pet within 5 days of discharge, we will consider the pet abandoned , and therefore, we are legally authorized to take appropriate action.
